QR CODE-MONKEY

BASICS

This is a free online QR code generator that lets you quickly create custom and high-quality QR codes for URLs, text, contact info, Wi-Fi details, and more with personalization options like colors and logos. It's designed to be easy to use without technical skills, making QR code creation simple and accessible.

URL / Access: <https://www.qrcode-monkey.com/>

ADDITIONAL INFORMATION

Multilingual support: Only in English. Need a external tool to translate.

Technical requirements: Browser-based; works on computers, tablets, and smartphones. Requires internet connection.

Adaptations for SLD users: It's a browser so it needs external adaptations

Cost and access:

- **Price:** Free
- **Free plan limits:** No
- **Account or sign-up required?** No

HOW TO USE IT

1

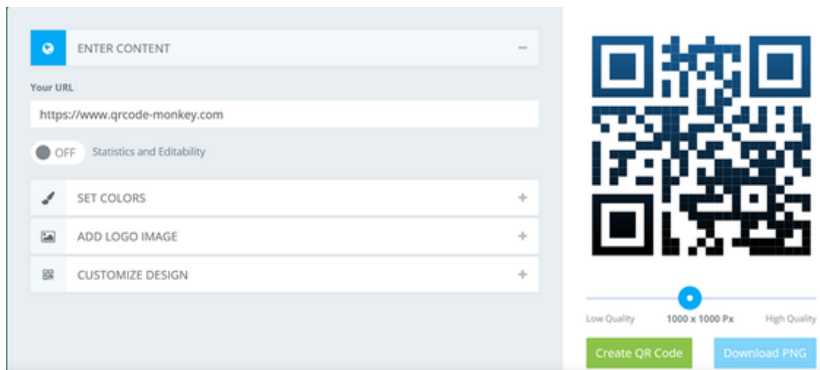

STEP 1:

Put an URL to go, a logo, or customize the design.

2

STEP 2:

Create it.
