

FODEY

BASICS

Fodey is an online generator that allows users to create realistic newspaper snippets by customising headlines, subheadings, images, and article text, ideal for storytelling and immersive learning activities.

URL / Access: <https://www.fodey.com/generators/newspaper/snippet.asp>

ADDITIONAL INFORMATION

Multilingual support: English

Technical requirements: Any device with a web browser and internet connection (computer, tablet).

Adaptations for SLD users: The tool supports SLD users by allowing short texts, visual storytelling, and clear narrative cues without complex instructions.

Cost and access:

- **Price:** Free
- **Free plan limits:** No
- **Account required?** No

HOW TO USE IT

1

STEP 1: Access the newspaper generator

Open the Fodey newspaper snippet generator via the provided URL.

2

STEP 2: Write the headline and article text

Enter a headline, optional subheading, and short article text related to the escape game scenario (e.g. a mysterious event, breaking news, or crime report).

3

STEP 3: Add an image

Upload an image (photo, illustration, or symbol) to reinforce the narrative or provide a visual clue.

4

STEP 4: Generate the newspaper snippet

Click the generate button to create a realistic newspaper-style visual.

5

STEP 5: Download and use the visual

Save the generated image and integrate it into the escape game as a printed clue or digital element.
