

FLATICON

BASICS

Flaticon is an online library offering thousands of free Creative Commons icons. These icons can be used to design escape games, visual clues, printable puzzles and digital challenges in an engaging and accessible way.

URL / Access: <http://www.flaticon.com/free-icons/creative-commons>

ADDITIONAL INFORMATION

Multilingual support: English, French, Spanish, German, Italian

Technical requirements: Internet connection and web browser

Adaptations for SLD users: Icons reduce text load and support visual comprehension.

Cost and access:

- **Price:** Thousands of free icons with attribution. No account required, optional for saving collections.
- **Free plan limits:** /
- **Account required?** Yes

HOW TO USE IT

1

STEP 1:

Open the Flaticon website and search for a theme related to your escape game.

2

STEP 2:

Filter results to free icons and select a consistent visual style.

3

STEP 3:

Download the chosen icon in PNG or SVG format.

4

STEP 4:

Insert the icon into escape game materials such as slides or printable clues.

5

STEP 5:

Add attribution to the icon author when required.
