Bensound

BASICS

A platform offering free and royalty-free background music tracks that can be used to create immersive atmospheres, tension, or mood in digital escape rooms and educational games.

URL / Access: <https://www.bensound.com/>

Type of sounds: **Background - Atmospheric music**

WHEN TO USE IT

Background and atmospheric music from Bensound can be used to set the emotional tone of an escape room, increase immersion, create suspense or urgency, and help players feel part of a story world (mystery, adventure, fantasy, sci-fi, etc.) without distracting them from solving puzzles.

SELECTION OF SPECIFIC SOUNDS/MUSIC
